

TRUE NICKELODEON COMMENTS

Spumco designed the Ren & Stimpy show to be just like Christmas by giving kids (and kids at heart) side-splitting gags a plenty, but Nickelodeon had a nasty habbit of taking those gifts away and stomping them into the dirty ground, never ever to be seen. Here's a list of some of those gifts, some which the good guys at Spumco saved from certain death and others which weren't so lucky:

***[FIND PILOT CHANGES.]
